YACHT MANAGEMENT | INSURANCE

## **Sunseeker 76 Manhattan**

The all-new Sunseeker 76 Yacht combines performance, space, comfort and style. Its outstanding sea keeping, innovative V-shaped hull, generous space and well laid-out decks make it the new benchmark for Sunseeker.

The large windows and exceptional natural light allow almost a 360 degree view.

The outdoor areas are as generous as they are polyvalent. The fly bridge has a rear area for personal sunbathing, a cocktail bar, a navigation bench and a table for 8 people.

The cockpit has an additional corner sofa and a cocktail bar. The stern is fitted with a mini-"Beach Club" with grill, retractable seat and Italian shower, taking advantage of the spacious bathing platform.

The foredeck has two large sunbeds, a table with cabriolet, forward and aft facing seating and a fridge drawer.

This Sunseeker 76 is particularly well maintained, almost as good as new and the listing of extras\* is extensive.

**ASKING PRICE : € TBC ex vat**

# Specifications
